PEOPLE v. MCCURDY (GENE E.)

Order appointing State Public Defender filed

S065575

CHAMPION (STEVE A.) ON H.C.

Order filed

THE COURT:

At issue in this matter is whether the representation provided by petitioner's trial counsel at the penalty phase of trial violated petitioner's right to the effective assistance of counsel. On June 25, 2003, this court issued an order directing Judge Robert Dukes, the Presiding Judge of the Los Angeles Superior Court, to select a Los Angeles Superior Court Judge to act as referee. Judge Dukes selected Judge William Fahey, and on July 16, 2003, this court issued an order appointing Judge Fahey to act as referee. On July 18, 2003, petitioner filed a motion for reconsideration on the ground that William Skyers, who served as petitioner's trial counsel, is now a Los Angeles Superior Court Judge.

The motion for reconsideration is granted. This court's orders directing Judge Dukes to select a Los Angeles Superior Court Judge to act as referee and appointing Judge Fahey to act as referee are hereby

vacated. The Honorable Frederick P. Horn, Presiding Judge of the Orange County Superior Court, is directed to select a Judge of the Orange County Superior Court to sit as a referee in this proceeding and shall promptly notify this court of that selection. After appointment by this court, the Referee is to take evidence and make findings of fact on the following questions regarding the case of People v. Steve Allen Champion (Los Angeles Superior Court No. A365075; Judge William B. Keene):

1. What actions did petitioner's trial counsel take to investigate potential evidence that could have been presented in mitigation at the penalty phase of petitioner's capital trial? What were the results of that investigation?
2. What additional mitigating evidence, if any, could petitioner have presented at the penalty phase? How credible was this evidence?
3. What investigative steps, if any, would have led to this additional evidence? In 1982, when petitioner's case was tried, would a reasonably competent attorney have tried to obtain such evidence and to present it at the penalty phase?
4. What circumstances, if any, weighed against the investigation or presentation of this additional evidence? What evidence damaging to petitioner, but not presented by the prosecution at the guilt or penalty trials, would likely have been presented in rebuttal if petitioner had introduced this evidence?
5. Did petitioner do or say anything to hinder or prevent the investigation or presentation of mitigating evidence at the penalty phase, or did he ask that any such evidence not be presented? If so, what did he do or say?

Petitioner's motion to move the reference hearing to San Francisco, Santa Clara, or Alameda County is denied.
